Hi Lucy,

I hope all is well.

Can you confirm for me what OPA has received back from this employee concerning the 2 stop payments contained in the attached email between me and you dated 5/4/22? The employee is stating below that she received an email claiming only one document was received. Unfortunately, I don't know who sent the email to her.

Thanks,

Brian Weekes

Hi Brian,

Please see below and attached from D-13 SLH, Quadina Louis (EIS# [REDACTED]).

Do you know what's happening with her Check?

FYI – I've already informed Mrs. Louis:

- The overtime she requested was not approved, because Andrew had already sent an additional sub employee to the school on that day.
- We had continued to reassign permanent employees to fill absences until fairly recently, when we had enough labor

Thanks,
Derek
